

COUNCILMAN TOM BERG IS DANGEROUS

- Refused to take money from developers and rail advocates
- Attendance record 98% for neighborhood boards to give reports
- Testified to stop the Landfill and Bio-Hazard Lab in West Oahu
- Dared to speak up against plans that diminish prime farmland
- Caught voting against the pay to play schemes; stands alone

BERG TAKES ON CORRUPTION

Councilman Tom Berg introduced legislation to abolish the Public Land Development Corporation (PLDC)- to Repeal Act 55, and has another resolution to break up the monopoly on electricity to help all consumers.

Berg held town hall meetings monthly to cover the issues important to you.

BERG CAN'T BE BOUGHT OFF

- Wants all products labeled that contain Genetically Modified Organisms (GMO)
- Ended taxpayer subsidies to recycling companies making millions off credits
- Voted to end tax credits given to millionaires with historic properties
- Voted against raising sewer and water fees, camping fees, gas tax increases
- Voted against the installation of parking meters for city parks
- Voted against new user fees assessed at Oahu's only public gun range
- Returned campaign money from landfill operator; no lobbyist money accepted
- Berg has refused to hold fundraisers while in office- still working for you 24/7

COUNCILMAN BERG WANTED FOR EXPOSING RAIL

Councilman Tom Berg has worked to reveal the scandals surrounding rail - hosting four town hall meetings on this subject alone and has fought to champion:

1. Berg was the only councilmember to vote against funding HART's budget/outrageous salaries
2. Berg voted to stop the \$450 million line of credit for rail; voted against floating bonds for rail
3. Berg was the only councilmember to vote against raiding bus service, voted against bus cuts
4. Berg exposed the rail propaganda scandal- coloring books- saving us \$4 million a year
5. Berg exposed the property acquisition scandal- \$70 million con job plot now at \$222 million

BERG GUILTY OF BEING SUCCESSFUL

Berg had 19 measures pass the City Council unanimously- some of them are:

- Using retrofitted shipping containers for workforce housing on farms
- Tsunami debris disposal oversight measure - keep debris out of landfill
- Public firing range & preservation of historic trails in Kalaeloa for jobs
- Crackdown on drunk driving and removing uninsured motorists
- Leeward Flooding Task Force; Ahi Fever Commercial Activity Plan
- Reverse bus cuts; new landfill recycling position to end waste stream
- Most money allocated in city history for district road and park repairs

"The establishment is afraid of me. For every smear piece they throw at you, I counter with the facts and welcome truth seekers fighting for justice to come join me. Simply go to my website for the truth." Tom Berg
