

FREE STOP GMO EVENT

DOWN TO EARTH & SEEDS OF TRUTH PRESENT A PANEL DISCUSSION

"Non GMO Foods and Our Right to Choose"

WEDNESDAY, February 29th, 2012

7:00 pm – 9:00 pm

Le Jardin Academy - Wang Auditorium

917 Kalanianaʻole Highway, Kailua, Hawaii 96734 (Follow 'EVENT' parking signs)

Did you know that 75% of our processed foods contain GMOs (genetically modified organisms)? GMO foods such as Hawaiian papaya and foods containing non-organic soy, corn, canola, and cottonseed are not labeled as GMOs and pose long-term risk to our health and the environment. Join us for an informative evening:

7:00 pm - Film

"Islands at Risk – Genetic Engineering in Hawai'i"

7:30 pm - Panel Speakers

Mark Fergusson,

Chief Vegetarian Officer (CEO/CFO),

Down to Earth ALL VEGETARIAN Organic & Natural

Dr. Hector Valenzuela,

Vegetable Crops Extension Specialist, UH Manoa

8:30 pm - Q&A
